Terms and Conditions associated with the issue of this Certificate

- This certificate is issued subject to BTTG™'s standard terms of business.
- The client must implement appropriate changes as notified by BTTG™.
- The client must:
 - a) Permit ongoing surveillance and access to documentation and records, and access to the relevant equipment, location(s), area(s), personnel and clients subcontractors.
 - b) Investigate complaints associated with the certified management system. Records of such complaints, and actions taken, must be kept by the client and made available to BTTG™ when requested.
 - c) Allow participation of observers during surveillance audits when requested.
- The client must only make claims consistent with the scope of certification,
- The client must not make any misleading or unauthorised comments regarding the certified management system or the certification body.
- The client must upon suspension, withdrawal, or termination of certification discontinue the use of all advertising matter that contains any reference thereto and take action to return this certificate to BTTG™.
- The client must comply with the requirements for the use of the BTTG™ Mark as detailed below.
- The client shall immediately notify BTTG™ of any changes that may affect compliance with the referenced standard, including but not limited to:
 - The organisation, its structure or legal status.
 - Key personnel
 - Address
 - Scope of operation within the certified system
 - Major system changes
- This certificate is issued in the English language only.
- This certificate remains the property of BTTG™ and will be withdrawn if any of the conditions attached to its issue are not complied with.
- The client shall have continuous surveillance of management system and a re-assessment every three years.

Use of BTTG™'s Mark

The Mark must only be used in accordance with:

Use of BTTG™'s Certification Mark and UKAS Accreditation Mark

If any of the above requirements are not met BTTG™ will seek to suspend, withdraw or terminate this certificate.
